

## **TRC Revised Pickleball Schedule - June 5/25**

**CBR = Court Booking Required.** It means that there is nothing organized by the club at this time. The courts are open for reservations. **\*\*Bookings MUST BE MADE.** You cannot show up and expect to join people who have booked a court.\*\*

**SOCIAL** means you can just show up and play, but you still need to add your name on Sign Up Genius. Unlike CBR, you do not need to find other members to play with before booking.

**LADDERS** - Members who sign up will be placed into similarly levelled groups of 4 or 5. Each week the groups are reassigned based on the previous weeks' performance and the members who have signed up for that week.
